Authorization for this examiner's amendment was given in a telephone interview with Saleha Mohamedulla (reg. no. 57,680) on June 16, 2006.

The application has been amended as follows:

### IN THE CLAIMS:

In claim 1, line 5, after "therebetween" the following language was inserted: --, wherein the interval is determined by viscosity and surface energy of a resist material--.

In claim 1, line 6, the term "a" was deleted and replaced with --the-- and the term ", wherein" was deleted.

In claim 1, line 7, the language "the interval is determined by viscosity and surface energy of the resist material" was deleted.

In claim 11, line 8, the term "the" (second occurrence) was deleted and replaced with --a--.

In claim 11, line 9, the term "a" (first occurrence) was deleted and replaced with --the--.

In claim 12, line 7, the term "the" (second occurrence) was deleted and replaced with --a--.

In claim 12, line 9, the term "a" (first occurrence) was deleted and replaced with -the--.

The above changes were made to correct several minor informalities to insure that all claim terminology has proper antecedent basis in the claims and, with respect to claim1, to rearrange the claim language to be in better form.
